

BUNTY FOODS (INDIA) PVT. LTD.

Manufacturers of :
HIGH QUALITY BISCUITS, BREADS & CONF. ETC.

Date: 20.04.2001.

This is to Certify that M/s. Miranda Engineering Pvt.Ltd. has been working for us for the past 10 years. During this period they have installed different Automation systems in our plant, which are working very satisfactorily. Systems installed by M/s. Miranda Engineering Pvt.Ltd. are unique, innovative and very reliable. After installation of these systems we have been benefited in: -

- e) Saving in wastages.
- f) Saving in manpower.
- g) Higher Production capacity.
- h) Better hygiene in the plant.

We have been working with this PLC based Automation system in the mixing department for past 20 months. This system controls addition of

- a) Vanaspati b) Sugar Solution/ Syrup C) Flour .

We have no hesitation in recommending M/s. Miranda Engineering Pvt.Ltd., for any such Automation Projects.

The party has ample capacity for undertaking such Turnkey Projects. We wish M/S.Miranda Engineering Pvt.Ltd. great success in future.
